## Monsignor A. J. Gmelch Returns From Europe

Photo by Squires

### VISITED PARIS, MUNICH, ROME AND OTHER POINTS OF INTEREST — GUEST AT LARGE FAMILY REUNION AT MUNICH

The Rt. Reverend Monsignor A. J. Gmelch appreciated very much the welcome accorded him last Thursday on his return from a tour through western Europe and is glad to be back home after a most enjoyable as well as extremely interesting trip.

The ocean voyage was made both ways aboard the S.S. America. Landing at LeHarve, Monsignor Gmelch went to Paris and then to Bavaria, where he spent some time visiting relatives, whom he had not seen in 38 years. He spent a few days in Landsberg with his sister, Mrs. Katie Brendel. From there he went to Oberammergau where he attended the Passion Play. As he traveled through Bavaria, Monsignor Gmelch noticed a surprising air of prosperity. There is much construction going on and the people are industrious as well as very devout. He was also impressed by the beauty of an abundance of flowers, everywhere.

From Munich, Monsignor Gmelch went to Rome—the highlight of his trip. Here he was joined by his traveling companions, Father Charles Seater, Chancellor of the Diocese of Natchez, Father Francis Daniel of Ocean Springs, and Father James Curley of Jackson, Miss., who had gone from LeHarve to Ireland. They then joined the New Orleans Pilgrimage, headed by Archbishop Joseph Francis Rummel and including Bishop Richard O. Gervoy of Natchez, Bishop Chaboulet of New Orleans and Bishop Fletcher of Arkansas.

Monsignor Gmelch had the privilege of a private audience with His Holiness Pope Pius XII in a group with Bishop Gervoy, Father Seater, Father Daniel and Father Curley. They also witnessed the canonization of Marie Curie, which was held in the open in front of St. Peter's, in Rome. Over 50,000 people were present for this impressive ceremony.

From Rome Monsignor Gmelch went by plane to Munich. While here he was the guest of honor at a large family reunion and parting feast, given at the home of his sister-in-law, Mrs. Mary Gmelch. Approximately 70 relatives of the Monsignor were present at this gathering.

Two of our young townspeople, Miss Irma Mae Kenney, daughter of Mr. and Mrs. Leo Kenney, and Mr. Larry Mauffray, son of Mr. and Mrs. Alden Mauffray, returned last week from a most delightful and instructive tour of Western Europe conducted by the Newman Club. They sailed from New York to Cherbourg. Their itinerary included Paris, the Riviera, Rome, Florence, and other points of interest. While in Rome they visited the four major basilicas in keeping with the Holy Year and they had an audience with Pope Pius XII at St. Peter's. They visited the shrine of St. Francis of Assisi, near Florence and the Cathedral of Notre Dame in Paris. They were very much impressed by the candlelight ceremony at Lourdes.

Some outstanding historical places visited were the gardens and palace at Versailles, the Louvre and the Tomb of Napoleon in Paris, the Forum, the Pantheon, and the Colosseum at Rome, and the art galleries in Florence. While in Paris they took a night tour and visited some of the well known cafes and night clubs.

## City Refuses Appropriation To American Legion For Public Pier and Sand Beach

### School Teacher Miss Mississippi

#### Annie Laurie Roberts Wins Over 13 Beauties

Biloxi, Miss.—Miss Annie Laurie Roberts, 24-year-old brown-haired and brown-eyed Ellenville, Miss., school teacher, representing her home town of Ellenville, being selected from a field of Hattiesburg, was crowned Miss Mississippi.

The daughter of Mr. and Mrs. Forrest Roberts, she is a graduate of Mississippi Southern and is an instructor in voice and piano at Jones County agriculture school at Ellenville.

The new Miss Mississippi, who will succeed Miss Katherine Wright of Pascagoula is 5 feet, five and one-half inches tall and weighs 118 pounds.

"This is the most wonderful thing that has ever happened to me," she said. "I'll do my best to represent the state and hope you'll be proud of me."

Runner-up was Miss Jane Clare Alexander, 18, of Arcola, representing Greenville. Third-place winner was Miss Jacquelyn Ann Walker, 18, "Miss University."

Miss Roberts will represent the state in the "Miss America" contest at Atlantic City, N. J., September 4-8.

Honors going to the first-place winner, besides the designation of Miss Mississippi and trip to the national contest, included a \$500 scholarship and a number of other prizes donated locally. The contest was sponsored by the Kiwanis Club.

The contestants were judged in evening dress, in bathing suit and on the basis of their talent and answers to several questions on present-day world affairs.

Miss Roberts modeled a yellow bathing suit and white lace evening gown and in the talent contest sang a Negro spiritual.

She is attending summer school at Mississippi Southern college working on her master's degree in music. She received her bachelor of music degree in 1947 and has been teaching for two years.

Mayor Dean W. Holmes and the Hattiesburg Chamber of Commerce were in the "Miss Mississippi" contest, which she had only last week, becoming the 13th contestant.

The mayor was so elated over the selection of the Hattiesburg young lady that he congratulated her with a kiss after Miss Katherine Wright, Pascagoula, last year's "Miss Mississippi" and "Miss Hospitality," announced the winner.

## Bay High To Begin Session Sept. 1st

REGISTRATION FRIDAY, SEPTEMBER 1; CLASSES BEGIN TUESDAY, SEPTEMBER 5; TEACHERS ASSIGNED FOR ALL CITY SCHOOLS

The Bay St. Louis Public Schools will open for classification and assignment of books on Friday, September 1 at 9:00 a.m. Regular classes will begin on Tuesday, September 5 at 9:00 a.m.

Buildings in all of the public schools are being repaired and prepared for the opening of school.

Children entering the first grade will be required to furnish birth certificates. The following is a list of teachers with their assignment for both the white and colored schools in Bay St. Louis.

- BAY CENTRAL SCHOOL**  
Mrs. Celine F. Ashcraft, 1st grade; Another primary position, open; Miss Lavonia Sauter, 2nd grade; Miss Caroline Spelton, 3rd grade; Mrs. Norma Perkins, 4th grade; Mrs. Katherine Simmons, 5th grade; Mrs. Ethel Zengling, 6th grade; Mr. Jack Lowe, Jr., Jr. High science, math and ast. coach; Miss Alma Parker, Jr. High English and history; Mrs. A. B. Dubuison, commercial; Mr. A. B. Dubuison, math and mechanics; Mrs. T. J. Broadus, English; Mr. T. J. Broadus, math; Miss Julia Blazie, social studies; Mrs. Juanita J. Evans, home-making; Mrs. J. D. Vaughan, science; Mrs. Gertrude D. Hall, English and Spanish; Miss Frances Murray, librarian; Mr. George Wimberly, band; Mrs. Carl T. Smith, public school music; Miss Hilda Bearden, girls' coach; Mr. Benne Ray Nobles, boys' coach and civics; Mr. S. J. Ingram, superintendent; Mrs. Jewel McCaleb, secretary.
- R. W. WEBB SCHOOL**  
Mrs. Charlotte Ladner, 1st and 2nd grades; Mrs. Pauline Ryan, 3rd and 4th grades; Principal.
- R. W. TAYLOR SCHOOL**  
Mrs. Warren Traub.
- VALENA C. JONES COLORED SCHOOL**  
Ethel Elwood, Elementary; Bernadette Benjamin, Elementary; Helen Hime, English and music; Mary L. Crook, social and math; Anna Belle Co. mrs., home-making; Bedford C. Young, coach and ast. principal; Tyrone Sexton, principal.

### REV. MR. LACY GREEN RECEIVED INTO THE SUB-DEACONATE

Since June 3, Rev. Mr. Lacy Green, son of Mr. Lacy A. Green of Lake-shade and the late Elizabeth Gutierrez Green, has been admitted to the Sub-deaconate which entitled him to assist at the Nuptial Mass celebrated at the marriage of his brother, Mr. Sanford Green to Miss Ethel Schindler of this city. Rev. Green has studied for the priesthood for six years at Notre Dame Seminary in New Orleans, following four years of preparatory work at St. Benedict Seminary in Covington, La. He is an outstanding young man and has led his class throughout his years of study. He is a credit to this community and will be an asset to the Diocese of Natchez. His ordination will take place next year.

### ARNOLD INFANT BAPTIZED

At Our Lady of the Gulf Church on Sunday afternoon the infant son of Mr. and Mrs. C. T. Arnold was baptized and given the name of Alfred Louis. Sponsors were Miss Agnes Marshall and Mr. Monroe Dubuison.

### STRAY DOGS DANGEROUS TO CHILDREN; SHOULD BE KEPT LOCKED IN

We reprint below copy of a letter written by D. C. M. Shipp, County Health Officer, telling of the danger to school children and adults as well as to stray dogs allowed to roam the streets. Dr. Shipp cites one instance where nine people were compelled to take treatment for the prevention of rabies because of one dog.

The letter in full follows:

August 9th, 1950  
To the Honorable Mayor and City Commissioners  
City of Bay Saint Louis  
Bay Saint Louis, Miss.  
Gentlemen:

This letter is to call your attention to a menace that affects the health and happiness of the people of our city. This hazard has existed for a long time and should have been corrected years ago.

Hardly a week passes that some one does not come to your Health Department with the complaint of dog bite. Usually these patients are the school children who look to us for protection. Vicious and unmuzzled dogs are permitted to leave the home and roam the streets. This should not be permitted. Within the last two weeks a rabid dog was taken to a local veterinarian for treatment. The animal later died of rabies. As a result of this one rabid dog, nine people were treated for the prevention of rabies. Rabies vaccine is not a harmless treatment and must be administered with exceeding care to avoid dangers. The experience of Boards of Health in many Southern States bear out this statement. Alarming symptoms some times follow its use. A few people depend on vaccination of the dog as a sure preventive of rabies; this method cannot be trusted; it is not absolutely dependable. The only way to reduce the rabies hazard is to confine the dog to its proper place and destroy all stray dogs. Your Health Department is in accord with an ordinance that will prevent our school children from being bitten by dogs and compelled to take the fourteen rabies shots as a preventive treatment against this disease.

### ENTERTAINS GUESTS AT CLERMONT BARBOR HOME SUNDAY

Mr. and Mrs. Albert Fleming of New Orleans entertained at a buffet supper at their summer cottage on Clermont Blvd. extension on Sunday, August 6th.

Their guests included Mrs. Jennie Foegele, Mrs. J. R. Foegele, Mrs. J. Wm. Hill, Jr., Mrs. Inez J. Muller of New Orleans, Mrs. Armand Scully, Miss May Fleming, Mr. and Mrs. Roy Iversen, Mrs. Dennis, Mr. and Mrs. Jules Schroth and Mr. and Mrs. Lester Haverly.

After supper, Mr. Schroth took many amusing candid snapshots which he presented to the guests.

### DEEP SEA FISHING OUTING NETS LARGE CATCH

A party, composed of Mr. and Mrs. Alden Mauffray and son, Larry, Mr. and Mrs. Octave Delph, Mrs. W. A. Prewitt of Bay St. Louis; Mr. W. A. Delph and son, Norbert, Mr. Robert New Orleans; and Mr. and Mrs. Currie Garner of Laurel, enjoyed an all day deep sea fishing trip on Sunday last, leaving from Gulfport on a chartered boat they fished around Ship Island and the Chandeleur Islands. They were delighted over a total catch of 22 mackerel.

### Mr. Shadoin Entertains At Bridge Luncheon

On Wednesday afternoon of this week Mrs. James Shadoin entertained at a lovely bridge luncheon given at the Yacht Club. The guests of honor were Mrs. Edwin C. Cross of Gadsden, Ala., and Mrs. Thomas M. Shadoin of Greensboro, N. C., both visiting Mrs. Shadoin; and Mrs. Heyward Montgomery, visiting Mrs. Rene DeMontluzin.

Besides the honorees the guest list included Mrs. Rene DeMontluzin, Mrs. Sam Whitfield, Mrs. Richard Brennan, Mrs. T. T. Robin, Mrs. Edmund Fahy, Jr., Mrs. Edward Porter, Mrs. Don McCulloch, Mrs. Dan Russell, Mrs. Hardin Shattuck, Mrs. Robert Camors, Mrs. Brenda Snelling, Mrs. E. N. Spence, Mrs. George Jones and Mrs. Grady Perkins of Bay St. Louis; Mrs. Roland Hodges of Pass Christian; Mrs. Howard Smith and Miss Sarah Harkey of New Orleans and Mrs. William Melcher of Dallas Texas.

### ENTERTAIN FRIENDS AT BUFFET SUPPER

On Saturday evening last, Mr. and Mrs. Paul Tourne entertained a number of their friends at their home on North Beach at a buffet supper. The honorees were Mrs. W. A. Prewitt, Mr. and Mrs. Vernon Jaubert, Mr. and Mrs. Robert Williams, Mr. and Mrs. James Seghars, who are all leaving town soon for various places.

### FATHER OF MRS. HUGH BOURGEOIS DIES IN GULFPORT FRIDAY

Louis M. Hudson of Gulfport died on Friday night at Baptist Hospital in New Orleans following an illness of three years. Funeral services were held at Gulfport Chapel Sunday at 3 p.m. with burial in Evergreen Cemetery.

Hudson, born in Harrison County on Christmas Day, 1875, was a life-time resident of Gulfport. For many years prior to his retirement in 1946 he was engaged in the lumber business, operating several mills in South Mississippi.

He is survived by his widow, Mrs. Rosalee Davis Hudson, four children, Louis M. Hudson, Jr., Mrs. Hugh Bourgeois, Mrs. Vinson B. Smith, Jr., and Mrs. George Anderson, all of Gulfport; a brother, L. K. Hudson, Mass Point, and six sisters, Mrs. A. E. McGuffee, New Orleans; Mrs. W. D. Satchfield, Hattiesburg; Mrs. Charles Cameron, Mrs. Marie Medlock, and Mrs. Florence Joyner, all of Gulfport, and Mrs. Lila Bills Biloxi.

### E. STOUT SPEAKER AT ROTARY CLUB ON FORESTRY OUTLOOK

The weekly meeting and luncheon of the Rotary Club was held at Hotel Reed at noon on Wednesday. The guest speaker of the day was Mr. E. Stout, Southern District manager of the American Forestry Wood Products Association for the twelve southern states, with headquarters in New Orleans. Mr. Stout gave an optimistic talk on the future of forestry. This was based on the fact that there is a systematic planting of trees annually, and that acres of timber land are kept under control by fire protection crews. Since 1930 the planting of seedlings has been put on a business basis so that years henceforth timber will take a place among the money crops. His talk, which was speeded by a few amusing remarks, was thoroughly enjoyed.

### Methodist Young Women's Circle Has Monthly Meeting Thursday Evening

The regular monthly meeting of the Young Women's Circle of the Methodist Church met at the home of Mrs. L. A. Rogers on Union Street on Thursday evening at 8:00 o'clock. The assistant hostesses were Mrs. Edmond Fahy, Jr. and Mrs. Tom Mallin. After the usual business routine was disposed of, Mrs. W. R. Pitcairn, program chairman of the evening led the group in a new study group discussion. The title of the course selected is "Women of the Scriptures" with the sub-topics, "Contributions of Rachel, Hannah, and other Biblical women to the Nurture and Training in the Home."

### Knights of Columbus Entertain Members With Square Dance

On last Friday evening the local council of the Knights of Columbus entertained their members and their guests at a dance from 8 until 1 at the KC Home on Main Street.

Messrs. Henry Monti and George Heitzmann, co-hosts of the evening, report a large attendance.

Everyone enjoyed the square dances, which were called by Mr. Floyd Sones. So much so, that the members have scheduled a square dance practice to be held each Thursday evening. Music was furnished by Vic Green and his string band.

### DiBenedetto Baby Baptized

On Sunday afternoon the infant son of Mr. and Mrs. George DiBenedetto was baptized at Our Lady of the Gulf Church by Father John Bryan and was given the name of Leo Fahy after his grand uncle, the late Bishop Leo Fabian Fahy. Sponsors were Miss Nina DiBenedetto and Dominie DiBenedetto aunt and uncle of the baby.

### POOLSON TWINS BAPTIZED

The twin daughters of Mr. and Mrs. Edward Walter Poolson were baptized on Sunday afternoon at Our Lady of the Gulf Church by Father Patrick Grant. They were christened Karen Ann and Sharon Ann. Sponsors for Karen Ann were Miss Patricia Poolson and Wilmer Thibaux. Sponsors for Sharon Ann were Mrs. Edna Poolson and Norvin J. Fayard.

### PIAZZA BAPTISMAL RITES SUNDAY

The infant son of Mr. and Mrs. Anthony Joseph Piazza, Jr., was baptized on Sunday by Father Patrick Grant at Our Lady of the Gulf Church and christened Stephen William. Sponsors were Miss Celia Wickenden and William J. Johnson.

### City Refuses Appropriation To American Legion For Public Pier and Sand Beach

The American Legion's building program is well underway. The small building as you may see is just about completed, the main part of the building that will tie into the small one will be known as the American Legion Memorial Home dedicated to all ex-servicemen of Hancock County. The present and future building is the Legion's program for themselves, the Public Pier and sand beach is the other part of the program they are now working on. Legion officers called upon the Hancock County Board of Supervisors and outlined their sand beach and pier program to them, making it plain that it is for the public. The members of the Board present agreed that it was a needed project and voted to give \$1000 to start the program and assured all the help possible in the near future. Some three months ago Legion Officers called upon the City Officials and outlined the program to them, they were in accord with the plans for the public beach and pier, but at that time there was no money available but were told that in the future the City would receive some money from the State and then perhaps they would be able to assist in the program.

### ENTERTAINS GUESTS AT CLERMONT BARBOR HOME SUNDAY

Mr. and Mrs. Albert Fleming of New Orleans entertained at a buffet supper at their summer cottage on Clermont Blvd. extension on Sunday, August 6th.

Their guests included Mrs. Jennie Foegele, Mrs. J. R. Foegele, Mrs. J. Wm. Hill, Jr., Mrs. Inez J. Muller of New Orleans, Mrs. Armand Scully, Miss May Fleming, Mr. and Mrs. Roy Iversen, Mrs. Dennis, Mr. and Mrs. Jules Schroth and Mr. and Mrs. Lester Haverly.

After supper, Mr. Schroth took many amusing candid snapshots which he presented to the guests.

### DINNER OF WELCOME AT CATHOLIC RECTORY FOR MSGR. GMELCH

On Thursday evening, Father Edward P. Desmond, who was the acting pastor of Our Lady of the Gulf Church during the absence of Rt. Rev. Monsignor A. J. Gmelch, was host at a small dinner given at the Rectory to welcome home the Monsignor from a three month European visit. Attending were Father William C. Bauer, Provincial of St. Augustine Seminary, Father Maxine Williams, also of St. Augustine Seminary, Father John Bryan and Father Patrick Grant, Assistants at the Rectory.

### LAND 85-POUND STINGAREE HERE

The above picture shows a stingaree, caught off the L. & N. R.R. bridge, and is reported to be one of the largest ever caught hereabouts. It measured six feet from tip of nose to end of tail and three feet across, and weighed 85 pounds. It was caught by Mr. Louis Moreau, Sr., and required the assistance of three other men to land it after a forty-five minute fight. The stingaree, is on the tail measured twelve inches. In the picture above holding the big fish are left to right, Louis Moreau, Sr., Louis Moreau, Jr., Harry Barker, Pineville, La., and Mayor Carver.

Entered as Second Class Matter at the Postoffice at Bay St. Louis under Act of March 3, 1879

## PENNY-WISE AND POUND-FOOLISH

Penny-wise and Pound-foolish is an old saying, what we think is the thing which the City Commissioner, for their refusal of an appropriation asked by the American Legion for assistance in their program of building a public pier and sand beach for the benefit of the City of Bay St. Louis and its people. Their excuse was that there was no money available at this time when in truth the City has recently received approximately \$8,500.00 as PART of their share of the State's "pork-barrell" appropriation to municipalities and it was thought that a part of this money should be given to the Legion for this project.

When the balance of the state's pork-barrell share to the City is received the City treasury will have been enriched some twelve thousand dollars. This in addition to the taxes the City collects annually, which alone should be sufficient to care for everything accounted for in the annual budget, with enough surplus to care for minor incidents. But still there is always the old cry, "we don't have the money."

In refusing to make this appropriation the commissioners did not only turn down a few hundred American Legionnaires, they also refused to assist in a program which would have been a benefit to every citizen of their community, since a public pier and sand beach are the things we need most to help put this town back on its feet.

But this temporary set-back will not stop the men behind this project. No sir, the men of the Legion are not quitters. Just as they did not quit when they were facing the enemy's bullets, they will not quit now.

## TO DISCOURAGE HOARDING

Officials charged with the handling of our food products have been somewhat alarmed by the tendency of many citizens to unduly accumulate supplies of various articles, particularly those which the citizens think may soon be rationed.

Hoarding will not do much good, for just as soon as a commodity is put on the rationed list, each person may be required to make an affidavit as to the supply on hand, and whatever that amount is, it will more than likely be deducted from the quantity which the citizens will be allowed to buy under the rationing system.

The only kind of rationing system which should be put into effect, if officials come to the conclusion that rationing is necessary, is a compulsory plan. Advance hoarding should be broken up by a strict inventory of each one's supplies, verified by spot checking. If necessary, and searching for any undue supplies concealed by greedy citizens.

No patriotic man or woman should resent any necessary police activities to make any rationing system fair and equal to everybody.

## 1950 COTTON CROP IS ESTIMATED AT 10,380,000 BALES

Washington—The Agriculture Department forecast this year's cotton crop at 10,380,000 bales of 500 pounds gross weight.

This first estimate of the year compares with last year's crop of 16,128,000 bales and with a ten-year (1938-48) average of 11,699,000 bales.

The indicated sharp drop in production reflects operation of a government crop control program designed to prevent the accumulation of excessive supplies.

The cotton acreage in cultivation July 1 was about 31 per cent smaller than a year earlier.

This year's crop will be supplemented by a carryover of about 7,000,000 bales from previous crops. The total supply would be more than ample to meet anticipated market needs.

The department estimated the yield of lint cotton to the acre at 264.9 pounds, compared with 284 last year and 261.3 for the ten-year average.

The condition of the crop on Aug. 1 was reported at 75 per cent of normal compared with 80 per cent a year ago and 76 per cent for the ten-year average.

In accompanying report, the Census Bureau said 283,242 bales of cotton from this year's crop had been ginned prior to Aug. 1, compared with 297,843 to the like date last year and 258,972 two years ago.

Production of American-Egyptian cotton was forecast at 67,400 bales compared with 4,000 last year and 27,800 for the ten-year average.

The Aug. 1 condition of the crop, by states included, Mississippi, 77 per cent of normal; 544 pounds per acre and production 1,420,000 bales.

WATCH FOR SPIES

President Truman has called on all citizens and police officers to be watchful of spies, saboteurs and other subversive activities. Meanwhile the Army has asked the press to avoid publishing comprehensive lists of National Guard or reserve units, called to active duty.

Such roundups, he said, could be agents.

NO CONGRESS ADJOURNMENT

Leaders of Congress are predicting that there will be no adjournment of Congress this year because of the present world situation. Speaker Rayburn said there are too many problems to solve.

House Republican Leader Martin said there could be no adjournment while Representative Hallack speaks hopefully of a long summer recess.

A single dust storm swept more than 300 million tons of top soil off the fertile lands of Oklahoma, Kansas, and Nebraska, according to the Soil Conservation Service.

## Congressional Sidelights

by CONGRESSMAN WM. M. COLMER

Mr. Speaker, I am sure that you are all familiar with the fact that the House is the center of attention.

Further, that firmness and power is the only language that Russia understands.

To implement those recommendations, Chairman of the Postwar Policy Committee, I introduced a resolution in the beginning of the Eightieth Congress, which would declare that, "in the future, it should now appear that our prediction proved only too true."

Mr. Speaker, it is my thought, that whatever that is worth, that this is not necessarily the beginning of World War III. When the Korean incident is settled, one way or the other, then peace will start in another area of the globe to bring about further confusion with another incident, possibly where. Then, when that is settled, Italy, Greece, Turkey, or who knows, perhaps somewhere else, and perhaps two or three incidents at the same time in different parts of the globe, always using her puppet nations or agents—all in furtherance of obstacles, destruction, confusion, and chaos all leading to her objective, world revolution.

I point out to you in substantiation of this that in all of the countries which have been taken over by Russia since the closing of hostilities and brought into her orbit of influence not a single Russian gun has been fired by a Russian soldier, Czechoslovakia and all of the others have been taken under the iron thumb and behind the iron curtain through the simple process of bringing about division, confusion, chaos, infiltration, and finally revolution. More, it is generally conceded by all military authorities that Russian arms could march to the English Channel almost overnight. Again, there are here and there, that Russia yesterday or today could prevent the landing of our troops at Pusan if she were ready and willing to risk all in an all-out warfare with this country and our allies.

Therefore, permit me to say to you, my colleagues, that the world picture is not a pretty one. And the current of peace appears to be years and not months away. It may be later than some people think. Therefore, if we are going to mobilize our efforts to should be on an all-out across-the-board basis. We must avoid the pitfalls and errors of the past. We found out in the last war that we could not have partial controls. If you are going to regulate the prices of commodities, then the chief cost of the commodities, some of the people in this country, some of the people in this Government do not want that, but you cannot eat your pie and keep it too. If we are going into this field, then we ought to go all out and see that everybody bears an equal portion of the burden.

Mr. Speaker, we face a very serious situation, one that calls for the most patriotic careful thought that we can exert.

In my humble judgement, for whatever that is worth, we are in for many more Koreans, many more such incidents, unless, as I intimated a moment ago, we are driven to the initiative. God forbid that coming events will make that necessary.

In the meantime there is no place for selfishness, greed, a business as usual policy, or politics as usual. The American boys who are fighting and dying

ALUMINUM

Top aluminum officials believe that steps should be taken immediately to increase the primary aluminum production facilities of the United States by at least one billion pounds—approximately 55%—in the interest of national security. They also advise the reactivation of some 400,000,000 pounds of existing capacity that has been idle since the end of World War II.

## CLYDE FAVRE AMONG COAST BOYS IN ALL-STATE GAME

Five Gulf Coast football players made a creditable showing while performing for the Southern All Stars in the inaugural Mississippi High School All-Star grid classic Friday night before some 10,000 spectators at Tiger stadium in Jackson. The North won 26-6. Herman Hickson, presently head coach at Yale University directed the efforts of the South squad. Fifty players from 37 communities participated in the game, which was the concluding feature of the Mississippi State Coaching School.

Electing as Co-Captain by his teammates and the only Gulf Coast named as a starter was the double honor given to Moss Point's Bobby Rouse. The 198 pound six foot two inch center, who was an All Big Eight first team selection last season, performed equally well on both offense and defense.

Jack Reed, 170 pound, halfback at Gulf Coast Military Academy in 1949, provided the Rebels with their only score, while running at the quarterback slot. The elusive speedster carried 22 yards to the North four yard line in the final quarter, then went the remaining distance on two successive sneaks. Jack's hometown is Silver City, Mississippi.

Another offensive spark for the South-ers was John Radich, 175 pound back and second team All Big Eight last year with the Biloxi Indians. Running from the fullback post, Radich juggled the ball three times and gained a total of 29 yards, including a 23 yard jaunt. He also played at backer-up, making several tackles and breaking up two aerys.

Playing as right tackle on both offense and defense and as defense guard was Bob Wold, All Big Eight second team tackle at Biloxi last season. The big, 198 pound, six foot two inch showed special ability in breaking through the line to hurry the Yankee passers and made several good tackles. Near the end of the first half he threw back a threatening passer in the South ten yard line.

Rounding out the coast representation was Clyde Favre, a stockily fashioned—196 pound, five foot two—guard who played for Bay St. Louis in 1949. Favre anchored a segment of a Rebel line that outplayed a more hefty Northern forewall in the second half.

All players received souvenir jackets in a pre-game ceremony.

## ...PERSONALS...

Mr. and Mrs. Nolan Luther and children, Nolan, Mickey and Nolan, left Monday morning on a motor trip which will take them through several states, including the Carolinas and Virginia and other points of interest. They plan to be away ten or twelve weeks.

Mrs. Henry Capdepou has returned from Alexandria, La., where she visited her husband, who has been ill at the Veterans hospital there, but is reported much improved.

Rev. John Bryan left Sunday afternoon by plane from New Orleans for New York, from which point he boarded another plane bound for his native land, Ireland, where he will visit with relatives and friends for the next three months. Father Bryan plans to return about the first week in November.

Mrs. Edmund Fahy, Jr., has purchased a lot adjoining the Prewitt home on DeMontluzin Avenue and plans to build a home in the near future.

Mr. and Mrs. Charles A. Breath, Jr., with their daughters, June, Linda and Sue and their small son Chuck left Tuesday morning on a short motor trip through the east coast of Florida. The Breaths expect to visit St. Augustine, Daytona Beach, and Marine Land. Mr. Breath is combining business with pleasure.

Mr. and Mrs. H. C. Glover, Sr., have as their guests for a few weeks, Mrs. Anthony J. Glover and two small daughters, Janie Lou and Mary Carol of Opelousas, La. Week end guests of the Glovers were Mr. and Mrs. H. C. Glover, Jr., of Metairie, La.

On Monday Mrs. Wilmer Thibaux accompanied her son, Carl and her nephew Carroll Thibaux to Pontchartrain Beach for an all day outing, which was thoroughly enjoyed by the youngsters.

Mrs. Eugene Mogabgab, Jr., and daughter, Cindy are spending a week at the home of Mr. and Mrs. Eugene Mogabgab, Sr. Week end guests of the Mogabgabs were their son, Eugene Mogabgab, Jr., and Mr. and Mrs. Arthur Weiss of New Orleans.

Mr. and Mrs. James Garrison and three children, Jimmie, Sherry Ann, and John of Rosedale, Miss., are visiting Mr. Garrison's mother in Waveland. Mrs. Garrison is the former Miss Anna Mae Blaise of this city.

Miss Mary diBenedetto, who has been in Baton Rouge, La., for the past several months, has returned to Waveland. She is assisting Mr. and Mrs. Burton at Ashton's Food Store.

Spending the month of August with Mr. and Mrs. Alvin Wauson are Mrs. W. C. Winford and infant daughter, Laura Anne of Charlotte, N. C., and Mrs. James St. Pierre and baby Susan Ann of Algiers, La. Mrs. Winford arrived last week by plane and will be joined by Mr. Winford in September for a week's stay. Mr. St. Pierre will also join his family after the completion of three weeks' naval reserve training in Oakland, Calif.

Mr. and Mrs. Sam Whitfield have as their guests for a week Mrs. Whitfield's niece, Miss Sarah Harkey of New Orleans. Miss Harkey arrived Friday evening on her way back from a trip to Miami, Florida.

Mr. and Mrs. Clem Pentose Jr. and two children returned to their home in New Orleans, after spending a two weeks' vacation on the Gulf Coast. They divided their time between visits to Mr. and Mrs. Fritz Peratch at Delisle and Mr. and Mrs. Naim Pentose at their new home on Jeff Davis Avenue in Waveland.

Miss Regina Blaise, who is with the Federal Bank in New Orleans, is now on vacation at the home of her mother, Mrs. Reginald N. Blaise. Mr. John B. Blaise is also home for the remainder of the summer.

Spending last week end in Waveland were Mr. and Mrs. Frederick H. Fischer and young son, Frederick Jr., at the home of Mr. and Mrs. W. C. Turner.

Mrs. Carl Smith returned on Tuesday from a visit with her sister and brother-in-law, Mr. and Mrs. C. L. Rummels, in Birmingham, Ala. Mrs. Smith had been away a week.

Mr. and Mrs. Oscar Poynt have as their guest for an indefinite stay their young granddaughter, Miss Signified Boulmay of New Orleans.

Mr. and Mrs. Peter Monroise of New Orleans have taken possession of their new home on Nicholson Avenue, the former home of Mr. and Mrs. H. A. Oxenham, which they purchased recently through Mrs. Belle Pentose. Mr. and Mrs. Monroise are welcomed as permanent residents.

E. A. Geoghegan at their beach home, Mrs. Catherine Bruen Church was a guest last week end of Mr. and Mrs. in Slidell, La.

Miss Frances Xavier returned last week after a month's visit to Hattiesburg, Miss., Mount Washington, and Indian Lake, Ohio. While there she was joined by relatives.

Mr. and Mrs. A. O. Hoefel have just returned from a tropical cruise via the United Fruit line to Havana, Guatemala and other points of interest. They report a most enjoyable trip.

Mrs. A. H. Wilmutis and two small sons, Mikey and Albert of New Orleans are again visiting at the home of the Misses Alice and Elsie Sport, nuns of the Sisters of the Holy Family.

## WAVELAND WANDERINGS

By Mrs. Gertrude Hall

The Waveland Pier Committee is going to sponsor a square dance on August 18 at the Waveland School for the benefit of the Parents' Club. Watch this column for the big announcement.

Mrs. T. H. Brockman has returned from Mobile, Alabama, where she cared for Mr. Brockman while he was ill. He is now at home and well on the way to recovery.

Sympathy is extended to the family of Mr. Charles Alfred Thomas who died this week in New Orleans. The Thomas family occupied an attractive cottage on Beach Boulevard near Oak Street. Among those who drove from Waveland to New Orleans to attend the funeral were Miss Cecile Turcotte, Miss Evelyn Turcotte, Mrs. Walter Turcotte, Mr. and Mrs. Sidney Bourgeois and daughter Aggie.

Misses Blanche Callahan and Catherine Manfre are visiting in Waveland for a week at the Callahan residence on Waveland Avenue.

Mr. and Mrs. Ed Tucker, Mrs. Roger Burdages, and Miss Barbara Ann Villere are now in Washington, D. C., after spending a few days in Baltimore, Md.

Mr. and Mrs. Archie Courange of Lakeshore and New Orleans visited Mr. and Mrs. Ott Brockman Saturday afternoon. Mr. Courange has just received his orders to report to active duty with the U. S. Navy. He leaves within a few days for the west coast.

Mr. and Mrs. Sam Colson from New Orleans and Mr. and Mrs. U. A. Hearty and family, Louis and Fay Hearty, are occupying one of the Gipsy's attractive cottages on Beach Boulevard. Mr. Hearty is an officer on the New Orleans Police Force.

Guests of Mrs. Gipsy last week were Mrs. Ula Walker and grandsons, Ben and Terry and Mrs. Walker's mother, Mrs. Julia Melville.

Mr. and Mrs. D. J. Dawers are occupying their attractive cottage on Broad Street for two weeks.

Mr. and Mrs. Roland Briere, two sons and daughter, are occupying the upper apartment of Captain and Mrs. Torgerson on Beach Boulevard. They will spend the month of August in Waveland.

Mrs. Johann Craft is recovering from a very painful foot injury which she accidentally received while cutting grass in her yard.

Miss Beverly Nunemaker, an attractive teenager from New Orleans, is attending the present summer session at the summer residence on Beach Boulevard near Coleman Avenue.

Mr. and Mrs. Charles Macaluso spent the week end in their beach front home and enjoyed the company of several of their friends during Saturday and Sunday.

Mr. and Mrs. Norman Hall, Sr., of Rusk, Texas, are expected this week end at the home of Mr. and Mrs. Norman Hall, Jr., on Beach Boulevard. The Halls are driving to Waveland to spend a week with their son and daughter-in-law and will also be present at the graduation exercises at Mississippi Southern College, Hattiesburg, Miss., on Monday, August 14. At this time, Mr. Norman Hall will be awarded the Master of Arts Degree.

This new metal awnings on the lovely brick home, parsonage of Father Costello and located next to Saint Charles' Catholic Church are very attractive.

**US MARINES CALL UP ALL RESERVES TO ASK EXPANSION**

Washington—The fighting Marines are digging deep into their existing manpower resources and may call soon for authority to expand.

The Corps announced plans to call up all their 80,000 volunteer reserves. This will give them an active strength of 200,000 and mobilization down to just about as far as they can go now.

However, Chairman Vinson (D-Ga.) of the House armed services committee said he expects a request from the Defense Department in January for another military appropriation including \$500,000,000 to increase Marine Corps strength.

And Rep. Mansfield (D-Mont.) told the House that the Corps should be kept permanently at a minimum of 300,000 men.

"The attempts which have been made to whittle the Corps down to a guard outfit, through appropriations, must be stopped once and for all," Mansfield said.

The first 50,000 of the Marine Volunteer Reserves will be ordered to active duty between Aug. 15 and Oct. 31. No mobilization date has been set for the remaining 30,000.

Organized ground reserve units already have been summoned to active duty. Some Air Reserve Units went on active duty about three weeks ago and additional units are to be called up.

Some Women Reserves also are to be called but the Marines aren't sure how many.

There are 72,000 Marine Regulars, 44,000 in the Organized Ground Reserves, 7,000 Organized Reserve Air Units and 80,000 Volunteer Reserves. The Volunteer Reservist is not trained and not paid until called to active duty. The Organized Reservist trains regularly and is paid.

**600-FOOT PLUNGE KILLS 3**

Glendale, Cal.—Three retired school teachers, who were returning from a bird hike in the mountains, lost their lives when their car plunged 600 feet from the highway into a canyon. Traffic on the mountain highway was blocked for several hours while officers, rangers and civilians brought the victims out of the canyon with ropes.

## WARNS FARMERS ON ROSY PICTURES

May Cause Overconfidence, 'Ag' Teachers Told

Gulfport, Miss.—The supervisor of agricultural education in Mississippi told vocational agriculture teachers Monday that farmers may be "letting the rosy picture painted by a few late into overconfidence."

The official, A. P. Thompson of Jackson, spoke at the opening session of the annual convention of the state's vocational agriculture teachers.

He asked, "Could it be that masses of Mississippi farmers have taken advantage of increasing their livestock and improving their pastures, alone their main cash crop, cotton, as declining?"

He listed other problems as forestry, rural electrification, rural telephones, farm mechanization, pasture improvement, complete liquidation of the state FFA camp debt and further improvement of the camp, and use of conservation practice payments by the production and marketing administration.

**FOOD SHORTAGE**

A report issued by the Department of Agriculture stated that the nation's food supply is so plentiful that price increases for food are not expected. It is estimated that the nation's food supply is now at a level not reached since the war.

**ALIBI NO GOOD**

Amesbury, Mass.—When Alexander Waskiewicz returned from a fishing trip empty-handed, he told his disappointed wife, a and 1 that he left his fish in a red box up the street.

"The boys went to find the 'red box' and when they found one on a pole, one youngster boasted the other, who pulled the box, smiling in a fire alarm. Fire officials suggested that Waskiewicz either improve his fishing technique or find a new alibi.

**POPULATION**

The Census Bureau has tentatively placed the population of Continental United States at 150,520,198 men, women and children, which is nearly 10,000,000 more than the total for 1940.

How would you feel if everybody in town knew how much you put in collection plate at church last Sunday?

## GOV. WRIGHT RAPS OUTSIDE INTERFERENCE

Laurel, Gov. Bledford L. Wright said that Mississippi would not tolerate any "further outside interference" while he is governor whether it be from the Communist party or the federal government.

"Addressing 419 2,000-strong Jones County Citizens League, the governor declared that Communists were pushing a move 'to destroy Mississippi and the South'."

The league was formed as the outgrowth of resentment toward interference in the recent Willie Magee rape case by the Civil Rights Congress. The Congress has been identified as a Communist-front organization by the Department of Justice.

Gov. Wright, who was vice-presidential candidate in the 1948 States Rights ticket, charged President Truman with interfering in state business. The governor referred to a federal investigation of an incident at Parchman panel farms without his knowledge.

"Truman doesn't like me," Wright declared, "and I don't care. I don't like him either."

The governor said the president had ordered an FBI investigation at Parchman after a negro had written him that he had been refused permission to visit his two children. Mr. Truman ordered the investigation without taking up the matter with the governor or the state attorney general or any public officials of the state, Wright said.

Marvin Wiggins, penitentiary superintendent, said the negro, who was not identified, had attempted to enter the prison carrying a pistol one time and a bottle of whiskey another. When he tried to force his way in while drunk a third time, a white guard blackjacked him, Wiggins said.

Gov. Wright said he had learned that "Truman had asked the United States attorney general's staff to see that the negro was allowed to visit his relatives in the state prison."

The governor said he had told the superintendent Wiggins to order any officer of the US attorney general's office off the prison property if he came there for that reason. Wright declared that the state penitentiary was the property of Mississippi and that it

## TEEN-AGE CLUB NEWS

On Saturday evening a group gathered at the Teen-Age Club for a few hours amusement. Some danced, while others played ping pong and other games. The evening would have been more enjoyable had not the boys greatly outnumbered the girls. See what you're missing, girls!

It is now time to buy new membership cards. Old cards expired on Aug. 1. On next Saturday evening election of officers will be held. Everyone interested please be present. Remember your benefit and amusement, and it should be your responsibility. Come and vote for the persons of your choice.

"Crooked farming" is on the level—if the crooked rows are on the contour.

An expert is a man who writes for a newspaper, published in a town where he is not known.

would not be "invaded" by any federal officer.

The governor went on to charge that the "civil rights congress has no interest in Willie Magee as an individual." He said the group was using him "in a plan to destroy Mississippi and the South."

A delegation of congress members visited Jackson last month in a last-minute attempt to obtain executive clemency for the Laurel negro, three convicted and condemned to die for rape.

"One reason that I granted the hearing to the delegation," the governor said, "is that I wanted to give Mississippi a preview of Communism at work."

Magee was granted a stay of execution by a US supreme court justice in Washington only hours before he was to be executed.

The governor lauded Mayor Carroll Gartin of Laurel and city commissioners Ernest Oden and Paul Smyly for passing a city ordinance banning Communists and Communism.

Horace Headrick, prominent businessman, presided at the meeting of the league, formed to combat the growth of Communism. A countrywide committee was named to establish a permanent anti-Communist organization in Jones County.

Members named include: J. M. Guice, V. A. Liberto, G. A. Smith, J. D. Jolly, Harriet Gibbons, all of Laurel; Davis Grayson, Beat 2; Armstead Hardin, Beat 3; Jack Myers, Beat 4; Ira Odom, Beat 5, and Mrs. Maude Clark, Ellisville.

## LUNG DISEASE PATIENTS SAVED BY NEW OPERATION

Atlanta—Nearly 100 sufferers of a common lung disease which formerly brought death apparently have been given a future by an operation developed at Emory University Hospital.

An Emory surgeon said the treatment still is in the "evaluation stage" but he is very optimistic.

The surgery is tailored for patients suffering pulmonary emphysema, or vanishing lung disease.

Progressive disability of the lungs, sometimes to the extent that lung disappears completely, marks the ailment.

The surgeons attributes the disease to several causes, including chronic irritation of the bronchial tubes, infection from excessive smoking and certain industrial hazards.

The trouble begins with chronic or repeated spasms in the bronchial tubes which make it easier for air to get into the lungs than to get out. As a result, areas of the lungs are over-inflated, enlarging at the expense of healthy tissue.

Sufferers then are unable to expel air properly and complain of a shortness of breath.

The surgeon said the disease kills by producing so much obstruction of the flow of blood from the right side of the heart that the heart finally is unable to beat.

He explained that the Emory operation actually is only a combination of those used for diseases with certain complications.

It combines the operation for removing massive air sacs from the lungs with the best operation for stopping spasms in the bronchial tubes.

The main contribution of Emory doctors was to prove infection and bronchial irritation were the agents responsible for pulmonary emphysema, he added.

## JOSEPH BAGERT, 74, DIED LAST WEDNESDAY

Joseph Bagert, son of the late Joseph Bagert, Sr., and Margaret Heid, died August 2 at the King's Daughters and Sons Hospital at the age of 74. He was born in New Orleans, March 17, 1876.

His body was taken to New Orleans for burial, following a Requiem Mass at St. Leo the Great Church, Father Biver officiated at the Mass. Burial was in the Greenwood Cemetery.

He was a brother of the late Mrs. Conrad Sick, Sr., and visited here often.

## TROOP 217, BOY SCOUTS PREPARING FOR SUMMER OUTING

Troop 217 sponsored by Our Lady of the Gulf Church is preparing for its annual camping trip, which will take place this month, before the opening of school. The troop is waiting on two more tents that are expected in time for the trip. Those tents are made available through the kindness of many friends of the troop who realize the value of scouting to the youth of our community. It is through these staunch friends that these annual camping trips are made a success and as an expression of thanks to all who help in the work of scouting, the troop will mail cards to each and every one in appreciation of the Scouts and their leaders.

The boys of Troop 217 will be on the go from the time they leave the Scout house until they return.

Troop 217 was organized in May, 1934 and has completed 16 years of Scouting. Their leaders and sponsors are happy of the success of the troop for many boys who have gone through scouting in this troop have gone out good Scouts and are proving to be good citizens.

## USED CAR PRICES CONTINUE CLIMB, PAPER DECLARES

Detroit—Used car prices are continuing to climb, the trade paper Automotive News said.

The paper, which makes a wide-spread weekly survey of many of the nation's used car auction sales, said that last week saw an average increase of \$25 in various models ranging from 1941 to 1950.

Postwar units alone showed an average advance of \$46 for 1948, 1949 and 1950 models, the increase over the preceding week was as much as \$14.

"It was evident from auction reports," the publication added, "that premiums are appearing. Some of the higher prices included in the auction: '50 Chevrolet Bel-Air, \$2,600; '50 Mercury Monterey, \$2,905; '50 Pontiac Catalina, \$3,000."

(Without transportation charges, tax or optional equipment, these three so-called "hard-top" convertible models have a factory retail price of \$1,741, \$2,146, and \$2,069.)

"Other signs of boom times were back, including reports of under-the-counter payments for new cars, reduced trade-in allowances and accessor loading," the paper said.

Enough soil is lost from our farmlands each year to fill a string of freight cars that would reach around the world 19 times at the equator.

Let us be soil builders not soil robbers.

The US Soil Conservation Service says erosion takes 21 times as much fertility out of the average soil in the United States as does the growing of crops.

Every year in the US about three billion tons of soil are washed or blown away from farm land alone.

Secretary of State

COMPTROLLER RELEASES  
GAS TAX REPORT

State Motor Vehicle Comptroller C. McCullen announced recently that the July gasoline tax collections of \$2,046,812 represent a record-high for any month.

This figure compares with the \$1,980,429 collected in July, 1949, and the \$1,757,729 listed for July, 1948. The increase was explained by the fact that it represented collections for gasoline bought by distributors during the month of June.

Total July collections of the petroleum tax division were \$1,159,516. Total highway revenue was \$3,071,987.

Other collections include:  
Diesel and Butane \$16,471; Butane \$4,338; Inspection Fees, \$4,365; Sewer Tax Collections: Harrison County \$33,943; Hancock County, \$7,950; and Jackson, \$11,661.

The effect of the one-cent gasoline tax increase will not be reflected until the department makes its August report, since tax on gasoline sold in July is collected in August, Mr. McCullen stated.

FIRST PAYMENTS MADE FROM  
"PORK BARREL" BY STATE  
AUDITOR

State Auditor Carl N. Craig announced July 28 that 265 cities will be receiving their share of a \$1,500,000 "pork barrel" fund authorized by the 1950 Legislature.

The payments will be made in two installments with the first being on a basis of \$2.00 per person based on the 1940 census. Mr. Craig said the second payment will be approximately 75c per person.

Expected payments to some of the larger cities from the first installments are: Jackson, \$124,000; Clarksdale, \$24,336; Greenville, \$41,784; Greenwood, \$29,534; Meridian, \$70,962; Natchez, \$30,592; Biloxi, \$34,950; Gulfport, \$30,390; Vicksburg, \$48,920; Laurel, \$41,196; and Hattiesburg, \$42,052.

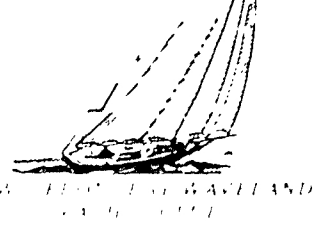

## DID YOU KNOW?

That Lt. Col. H. J. Skidmore, C. E. will serve as new director of the Waterways Experiment Station at Vicksburg, the change scheduled to become effective about August 1?

That R. C. Gunther was recently appointed as general manager of the Armstrong and Rubber Plant located at Natchez?

ELIMINATIONS FOR  
LIPTON TROPHY RACE

The skipper of the boat "The Skipper" completed the eliminations for the Lipton Trophy Race. The boat was skippered by [Name] and was one of the favorites to win the race.

Counties Furnished With  
Highway Maps For  
Study Purposes

Mississippi County supervisors have been furnished maps of their respective counties showing the system of roads approved by the Board of Legislative Highway Planning Committee last fall for study purposes and for use in designating the state aid system of 11,656.4 miles.

According to Ben T. Collier, State Highway Engineer, supervisors will designate the state aid system in their respective counties by the location of each road.

The maps also show the state highway system, as redesignated by the Board of Legislative Highway Planning Committee last fall.

The total mileage allocated to each county will permit an equitable geographic distribution, Collier said, adding that the maps should not be made for the sole purpose of providing equal distribution to the five districts.

The directive of the President to the Department of Commerce, requesting that all federal expenditures be directed to the national defense effort, will not seriously affect the operations of the Division of State Aid and Construction, which is still in a formative stage.

Matching of federal and state funds was not anticipated until sometime in the early summer of 1951, when the state aid funds for that purpose will have accumulated sufficiently.

Before then, in the interim, preparation of rules, regulations and specifications will continue, and the county aid systems agreed upon.

## WORK OR FIGHT

Lewis B. Hershey, director of selective service, says the United States has got to find "7,000,000 men of critical skill and the capacity to fight."

Urging draft boards not to defer men because of their skill, he declares, "If we don't find them, the 7,000,000 men you won't have any industry anyway."

## MORTGAGE DEBT

In the first three months of 1950, according to the Securities and Exchange Commission, the nation's mortgage debt jumped \$1,000,000,000, compared with \$600,000,000 in the same period of 1949.

MISSISSIPPI TOWNS SHOW  
PROMOTION ORIGINALITY

A score of cities and towns throughout Mississippi have displayed amazing and varying degrees of originality in carrying out their promotional programs.

Everywhere, from barrels of homemade beer to the use of a "Host Car" for visitors, the originality of the promotional programs is evident.

Forest's "Tea For Tourists" plan, in which out-of-state motorists were stopped on U. S. Highway 80 and invited to pause for refreshments and souvenirs, is typical of the original ideas developed by promotion programs during a state-wide community tourist program conducted by the Mississippi Agricultural and Industrial Board.

Welcoming out-of-town tourists to Corinth at the information booth at the intersection of two main streets last month were a number of courteous young ladies. Left to right, inside the booth, are Joyce Taylor and Jennifer Potts. Seated, left to right, are Dorothy Coleman, Ann Jennings, Miss Hospitality, and Barbara Burnside.

In New Orleans, filled them on the floor of the Hancock Bank of Gulfport, and started shoveling up their payrolls.

Every hotel employee was paid in silver dollars and spent them along the Coast to create a realization of the size of Gulf Coast tourist business.

Other communities which adopted the use of "Hospitality Booths" included Madison, which strung banners across the highway at the intersection of U. S. 82 and State 15, Wesson, Aberdeen, and Europa.

Aberdeen used Boy Scouts to stop cars and girls in ante-litterum costumes to press out literature and information.

C. C. Day, a northeast Mississippi lumberman, also donated a 20-acre tract of timberland which will be converted into a park for tourist use.

Meridian, which last year adopted a "Host Car" idea for showing visitors their city, continued the program this "Hospitality Month" on an expanded scale.

Honolulu also came up with a law, it does not carry the threat that is carried by what could be military disaster, nor does it carry the threat that comes with ruinous inflation.

STATE POLIO CASES  
NUMBER 139 THROUGH  
AUGUST 5th

Twenty new cases of polio have been reported by the State Board of Health for the week ending August 5. This brings the 1950 total to 139 cases.

Counties with the highest incidence for the week are: Madison and Sunflower, 3 cases each; Attala and DeSoto, 2 cases each. Ten counties reported no cases for the week.

National headquarters of the National Foundation for Infantile Paralysis sent \$2,000.00 this week to Lauderdale County to aid in paying for care of polio cases. This makes a total of \$59,467.07 in emergency aid funds sent to Mississippi by headquarters of the March of Dimes organization since January 1.

## FURNITURE SALES

Americans are buying furniture at the unprecedented rate of \$3,000,000,000 a year, according to the Commerce Department, which pointed out that the high rate of savings and the record home-building boom are probably responsible for the increased sale of furniture.

## DISPLACED PERSONS

President Truman has signed the Displaced Persons Bill, which is expected to provide asylum in this country for enough refugees to clear up displaced persons camps in Europe. The new law expands to 415,744 the total of those admitted or to be admitted under the special post-war legislation.

## WASHINGTON NOTES

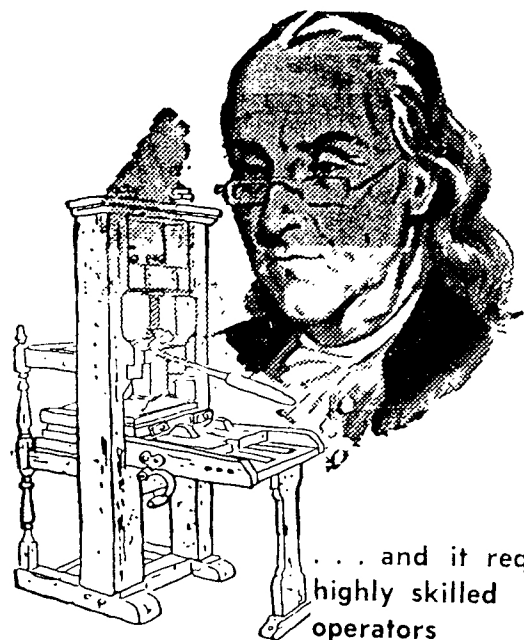

The Army and Navy have announced immediate calls for reserves to volunteer for extended duty. The announcement said reservists must urgently include radar, radio, tank, anti-aircraft, artillery mechanics and engineer construction specialists.

A 50-bushel crop of corn removes 80 pounds of nitrogen, 27 pounds of phosphate, and 55 pounds of potash. This is equal to a plant food of 600 pounds complete fertilizer or 8 tons of manure.

The soil is the foundation of the farm family's living. How well it yields will depend on how well you treat it.

## PRINTING A NEWSPAPER

THESE DAYS . . .  
IS A LOT MORE COMPLICATED

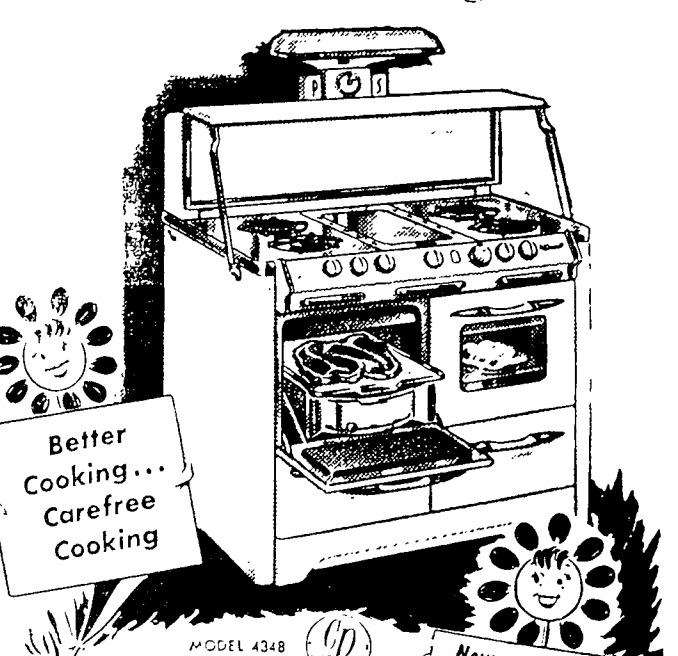

...and it requires  
highly skilled  
operators

Yes, printing has certainly progressed from the days when Ben Franklin painstakingly set up print by hand for his small press! It's a big business now and it takes the most modern equipment and competent operators to serve you—but the historic spirit of truth for the people still prevails.
